

## Piecemakers' Guild Mystery Quilt Clue #1

You may wish to prewash all of your fabrics before cutting. If you choose not to prewash fabrics, it is recommended that you test your dark fabrics for colorfastness before cutting into them.

You may use either light or dark fabrics for your background. Instructions will show a light background.

From background fabric, cut 9 strips 2-1/2" wide. Cross cut at 2-1/2" to make the number of 2-1/2" squares (finish to 2" in quilt) shown below:

from background fabric

for wall hanging: cut 148 2-1/2" squares (2" finished in the quilt)

for lap quilt: cut 208 2-1/2" squares (2" finished in quilt)

Clue #2 will be available on March 25, 2002.
