

## Piecemakers' Guild Mystery Quilt Clue #5

Using the four patches assembled in Clue #4, piece together the four patches, to create 26 (wall hanging, lap size requires 36) of the following block:

Assemble these together to create 13 (wall hanging, lap size requires 18) of the following block:

### NOTE

Instructions show light as the background in these squares. You may choose to use lights for your contrasting fabric and a dark background.

Clue #6 (final layout) will be available on May 20, 2002.
